NOTES:

1. SIDEWALK: A four (4) foot wide concrete sidewalk shall be constructed one foot from the property line in the street right-of-way along the East side of Maxwell, the North side of all east-west streets, and the East side of all north-south streets at such time as the hereby platted property Lots are improved with a structure.
2. ACCESS CONTROL: Access to Maxwell is limited to public streets as shown. At the intersections to Maxwell, access is restricted as shown in the vision control diagram.
3. FEMA MAP ID 20113C0357E, Effective Date Jan. 16, 2009; Tract is in Zone X. (Area of minimal flooding)
4. Drainage detention facility easement is hereby established as shown to provide for the detention of storm surface water and constructed as approved by the City Engineer. All maintenance within the drainage detention facility easement (DDFE) shall be the right, duty, and responsibility of the property owner(s) of the property in which the easement is so located; however, if maintenance is neglected or subject to other unusual circumstances and is determined to be a hazard or threat to public safety by the City Engineer, corrective maintenance may be performed by the governing jurisdiction with costs assessed to and born upon said property owner(s). Officials representing the City Engineer shall have the right to enter upon the easement for purposes of periodic inspection and/or corrective maintenance of the facility. Upon receiving written approval from the City Engineer, property owner(s) may construct improvements within the easement, provided the improvements do not interfere with the function of the detention facility.
